ECUMENICAL LENTEN STUDY 2012**

“Faith Rudder”

A Series of Five Studies Cost \$10.

Sign up by Sunday 12th February

Studies commence week of 20th February, 2012

This Lenten Study - *Faith Rudder*, is based on the theme of covenant and will draw upon the Old Testament readings for 'Year B' of the season of Lent using 'An Australian Lectionary'. During the five studies we will examine a number of covenants between –

- God and Noah.
- God and Abraham.
- God and Israel with Moses.
- Living the covenant.
- New covenant written upon the heart as outlined in Jeremiah.

Covenants are fundamental in both the Old Testament and New Testament. The covenants are between God and the people of God. As we study the various covenants and consider the implications for our daily Christian lives may this Lent enable us an opportunity to tune our engines or oars of faith, so that we can be an effective rudder of faith to direct our good ship; “Christian Pilgrimage”.

Sign up forms are in the Narthex, Pioneer and Lady Chapel
